"Always Better Concrete"

Name:

Job Title: Concrete Truck Driver II

Job Status: Non - Exempt

Grade Level:

Reports to: General Manager

Positions Supervised: N/A

Job Summary

The Concrete Truck Driver II is responsible for operating a Company concrete mixer while transporting and properly unloading materials to and from various locations to service residential and commercial clients.

Essential Functions

- Conduct daily pre-shift and post-shift vehicle inspection and report deficiencies to shop immediately.
- Report improper operation, faulty equipment and unusual conditions to the Maintenance Manager utilizing the proper vehicle inspection report paperwork.
- Operate concrete mixer to and from pre-designated work sites based on daily routing information, following detailed directives on work orders.
- Maintain telephone or radio contact with dispatch to receive additional instructions and changes to work locations etc.
- Ability to differentiate between mixes, grades, sizes and textures of materials.
- Ability to perform an air and slump evaluation of concrete, giving recommendations on modifications needed.
- Maintains cognitive awareness of immediate surroundings, ensuring that power lines, trees and other obstacles are accounted for as maneuvering and unloading of materials in a safe and efficient manner.
- Ensures the speed and direction of the concrete mixer, unloading materials via front and rear discharge in a controlled manner.
- Responsible to safely and thoroughly comply with all hand signals and movements from co-workers, keeping eye contact when backing up and unloading materials.
- Maintains truck logs according to state and federal regulations.
- Ensures that concrete mixer is thoroughly cleaned and washed after each delivery, or as directed.
- Ability to carry 50+ lbs.
- All other duties as assigned, including but not limited to light yard and shop maintenance.
